TOPIC 14: THE FITRAH UNLOCKED

Knowing Allah

If, by Allah's will, you are a means that Allah uses to bring someone closer to the truth and unlock their fitrah, the first thing to call them to is knowing Allah. Use Surah Ikhlaas as a foundation for who Allah is - a perfect belief in One True God who is independent, self-sufficient, not in need of anyone or anything. He is alone in His divinity and is not born, nor does He give birth. There is nothing that can be compared to Him - He is unique and perfect, Mighty and Majestic.

After this, you can discuss the purpose of life, which is a core message within this course $-$ to worship Allah. (you can even go over the reasons why Allah deserves worship, as mentioned in the Key of Spirituality.)
